If you'll excuse the pun, HUBS are at the centre of all we are doing! All our HUBS are showing hospitality in their cafes and several are doing much more. A lot of work has gone into planning what will be on offer in these centres of welcome to visitors around the seafront and town centre and in various locations on Portland. There is something for everyone to enjoy, from art exhibitions and photography competitions, children's holiday clubs, sports zone, soft play for toddlers, messy church, messy Olympics, concerts and more!

We are especially looking forward to Paul Jones (ex Manfred Mann, lead singer of The Blues Band and Radio 2DJ) and his wife Fiona Hendry coming to perform and share their faith on Saturday 4th August at 7:30pm at Weymouth Baptist Church. Paul came to faith at a Luis Palau event when taken by Cliff Richard, so start praying about who you will bring! This is a great opportunity to bring your friends to what will be a great evening of entertainment and testimony.
