

Display Banners for Loan

Display a Sudan Link Banner at Your Church or Event

The Sudan Link committee has a selection of portable banners that can be borrowed for free to be used anywhere in the Salisbury Diocese.

They are light easy to move, set up and add a attractive edge to any event you may be having in connection with the Sudan Link.

They are designed to collapse to the size of a four inch cylinder roughly two and a half feet wide. Erected they stand seven feet tall. Their design promotes the core values of the Sudan Link in the same stylish graphics as our leaflets, flyers and posters.

To obtain a banner simply contact Mr Keith Whittock - details below.
