

REGISTER OF CURRENT INSPECTORS FOR UNDERTAKING QUINQUENNIAL INSPECTIONS

The appointment of a Quinquennial Inspector is made by each PCC, and is always of an individual, not a firm. The appointment is for one inspection and report in the first place. It is important that a Quinquennial Inspector's training, accreditation, and experience in building conservation is commensurate with the complexity and significance of the church building(s) in question. (Please see the [DAC website](#) for more guidance)
